"Poppa Bear Norton proclaim themselves to be America's only, and therefore number one, daredevil country act! They perform their own brand of country and western music that harkens back to the days of Buck Owens and Johnny Cash...A time when a song was written like a well-crafted story and performed with passion, sincerity, humor, and refined musical skill."

This activity is made possible in part by a grant provided by the Northwest Minnesota Arts Council with funds appropriated by the Minnesota State Legislature from its general fund.
